The Paily Rews of the day

The ford Anglia which was seen of a muggle today was not the car of so meone it was the car of Ar. A. Weasley, one of the few collaborator of the Office Against Muggle Artifact Abuse, is now in conflict with the Animistry of Magic. He must to blame for his son, Ronald Bilius king wands and other graphics of the magical world and other magical world and other magical things. This wizard makes his things on a platform named is things on a platform named built get his fair punishment and his son too. But his fair punishment from the Ministry of Magic. The Ministry built get his fair punishment from the Ministry of Magic. The Ministry built get his fair punishment from the Ministry of Magic. The Ministry built get his fair punishment he will get his fair punis

e Wizengamot on the 7th September 1992 and at this moment he will get his fair punishm ent. Mr. Lucius Malfoy who is one of the paintiffs will be there. He says:" We all the real things are not magical so that every normal muggle can print get and remake these.

The Minister for Magic, Cornelius Judge is so unpopular than ever. 76 Prozent of the magical Community saed that he is not good, 21 Prozent don't know how good or bad he is and 3 Prozent think that he makes his job very good. This will be not very good for the Minister for Magic.

The Minister for Magic, Cornelius Judge is so unpopular than know that these Weasleys are dirty and these "Muggle Wizards" must get there tair punishment." Surely is this the right Ar. Malfoy! For more information subscribe the Maily Prophet or wait the Minister for Magic.

Ood people are expected at the funeral.
